Tilton School—Local Students Graduating

Tilton School is our high school and it seems proper that this report should record the names of the local students graduating from this school. The following is the list of the local students in the class of 1931:

Alfred Adams Atkinson	Doris Mae Hosmer
Helen Ruth Boyce	Margaret Ellen Looney
Maurice Bryant, Jr.	Edwina Claire Luneau
Bernice A. Colby	Theresa Mary Malone
Maurice Griffin	Samuel Rufus Page
Charlotte Marion Heath	Catherine Doris Sweatt
Minnie Inez Waldron	

Of these graduates two entered N. H. State University, one Bay Path Institute, one a special school for study for the work of a dietician, one a hospital for training as a nurse, four are doing additional work at Tilton School, one is attending a high school in Massachusetts, two are doing office work here in Tilton, and one is at home but plans to enter Plymouth Normal School next year.

Again it was a local student who was the highest ranking member of the entire class for the full four-year course, and was the recipient of the Baketel Gold Medal at the commencement exercises. This honor came to Catherine D. Sweatt. Maurice Griffin, Doris M. Hosmer, and Catherine D. Sweatt were elected to membership in Cum Laude Society, an honorary scholarship society.

Teachers

Our teacher replacement this year was five. Miss Alice L. Robertson, Miss Emma Kelley and Miss Margaret Rowden resigned in June that they might establish homes. We regretted the loss of these good teachers. Miss Mabel Connolly resigned that she might continue studying at Plymouth Normal School. Mr. John Conrad did not care to be considered for re-appointment. Miss Eva M. Smith of Lancaster, a graduate of Plymouth Normal School, was chosen to fill the vacancy in the second grade, and Miss Eleanor B. Sweet of Penacook, a graduate of Plymouth

Normal School, was chosen to fill the vacancy in the sixth grade. Miss Helen G. Hobart of Concord, a graduate of the Concord Training School, succeeded Miss Kelley in the fifth grade. Mr. Raymond L. Harwood of Manchester, a graduate of the three-year course at Keene Normal School, was chosen for the manual training position. Miss Lillian Connolly, a graduate of Plymouth, replaced her sister at the No. Four school.

The following table shows the teacher assignments and the pupil enrollment in each school at the present time:

The enrollment in the elementary schools at the present time is 45 more than the enrollment a year ago, and the enrollment of local students at Tilton School is eight more than it was a year ago. The total increase is 53 or practically 10%. Surely there is no depression indicated here.

Repairs

The No. Four school building, which was greatly in need of attention, was repainted both inside and out during the summer. The appearance of the school room has been greatly improved. I again recommend that the approach to the toilets in this building be rearranged. The present arrangement is not satisfactory.

The exterior of the Sanborn Road building has also been freshly painted. This building should be reshingled during the summer vacation.

The school room in the Eastman building is being used this year for the over-flow from grades four and five. It is probable that next year it will be necessary to use this for grades five and six. The large enrollment in the lower grades make it imperative that we have another school room available. A new room could be fitted up in the Eastman building at no great expense which could be used for first and second grade children and thus relieve the congestion which we now have in the main building in these two grades. It is not probable that any addition to the teaching force would be necessary.

Our manual training department has always been poorly housed. I would recommend that the garage, which is now used for storage purposes, be fitted out for this work. This change, too, could be made without any large expense and the facilities for carrying on the work in manual training would be very much improved.

I would recommend that the Eastman building be repainted and that a less sombre color be used.

Summer Playground

The summer playground was maintained for nine weeks and was under the supervision of Mr. Eldon Heartz. Mr.

Heartz was assisted by Miss Phyllis Hogquist and Miss Marjorie Davis. Again this proved to be a popular resort for the children during the summer weeks. The cost of maintenance last summer was approximately \$400. The yearly appropriation for this work for the past two years has been \$600. The school board in the special article for summer playground maintenance in the school warrant suggests an appropriation of \$300 for next summer.

School Finances

Expenditures for school purposes, like all other municipal expenditures, are rightfully receiving at this time a careful scrutiny. The following table makes easy a comparison of the budget of this current school year with that proposed by the school board for next year:

Budgets

	1931-32	1932-33
Teachers' salaries	\$20,000.00	\$18,500.00
Text books	600.00	500.00
Scho'ars' supplies	600.00	500.00
Flags	40.00	25.00
Other expenses of instruction	250.00	200.00
Janitor service	1,850.00	1,850.00
Fuel	1,400.00	1,200.00
Water, light and janitor supplies	650.00	650.00
Health supervision	275.00	250.00
Transportation of pupils	3,200.00	3,200.00
Minor repairs	600.00	600.00
Insurance	100.00	750.00
New equipment	250.00	250.00
Elementary tuition	200.00	200.00
High school tuition	13,500.00	14,500.00
Salaries of district officers	300.00	300.00

Truant officers and census	75.00	75.00
Superintendent's excess salary	1,200.00	1,200.00
Per capita tax	1,176.00	1,224.00
Administration	500.00	500.00
	<hr/>	<hr/>
Total	\$46,766.00	\$46,474.00
Deduct income	506.00	1,050.00
	<hr/>	<hr/>
Assessment required	\$46,260.00	\$45,424.00

The school board has made a very careful study of the budget. It has been found possible to reduce certain items without any likelihood of any impairment of the efficiency of the schools, at least for a year. But other items must necessarily be increased. The recommendation for high school tuition has been increased \$1,000, making it \$14,500. This is approximately what it will cost this current year. As several of the fire insurance policies must be renewed this coming year the amount needed under this item will be \$750 as compared to \$100 this current year. The reduction in the amount proposed for teachers' salaries is somewhat misleading. No reduction in teachers' salaries is contemplated by the school board. Our present teacher schedule calls for an expenditure of approximately \$18,500, the amount proposed for next year.

After making such decreases as seem possible and such increases as seem necessary in the several items, the result is a reduction of but \$300 in the total budget. It is estimated, however, that our income from certain sources will be approximately \$550 greater than for this current year, so that, whereas the assessment required to meet the budget for this current year was \$46,260, the assessment required to meet the proposed budget is \$45,424, a reduction of some over \$800.

That is not the whole story. The total appropriation a year ago for school purposes, including \$3,000 to meet a note given by the school board which covered the expenditures for the grading of the school playground the year previous and an appropriation of \$600 for the maintenance of the summer playground, was \$49,860. If the recommendations of the school board and the suggestion in the matter of the summer playground are approved the total

assessment for school purposes for next year will be \$45,724. This means a drop of \$4,200 in the assessment.

I wish to call attention to the generosity of Mrs. Lillian C. Blanchard. For more than a year she held a note against the school district for \$3,000. When the note was paid she cancelled all interest charges.

Annual School Meeting

The annual school meeting will be held Friday evening, March 18, at 7:30, in the Union School hall. The terms of Mrs. Mabel W. Hill and Mr. Hiram R. Blanchard, as members of the school board, will expire at that time.

In conclusion I wish to express my appreciation of the co-operation of teachers and school board.

Respectfully submitted,

CHANNING T. SANBORN,
Superintendent.
